

GOLD MOUNTAIN

wellness resorts

BRAND IDENTITY & GUIDELINES

ROOTED IN NATURE. INSPIRED BY ARUNACHALA.

A peaceful retreat experience.

Gold Mountain Wellness Resort is located in the presence of Arunachala, Tiruvannamalai. The brand brings together hospitality, nature, comfort and wellness, creating a space where guests can slow down, reconnect and experience the surroundings at their own pace.

While Ayurveda, yoga and meditation form an important part of the experience, Gold Mountain is first and foremost a resort that offers a peaceful and meaningful stay.

BRAND ESSENCE

Stay. experience. reconnect.

ABOUT THE BRAND

PRIMARY LOGO

The Gold Mountain logo combines the Arunachala-inspired mountain silhouette with the crescent moon and refined typography.

The calm & reflective
experience associated
with the resort.

The surrounding
landscape & connection
to the earth.

The calm and reflective
experience associated
with the resort.

LOGO

The logo should be available in a few controlled formats. It PRIMARY must always remain clean, uncluttered, and free of unnecessary effects.

Give the logo space to breath...

The logo should always have sufficient surrounding space. Use the height of the crescent/symbol ('X') as the basic reference unit for minimum clear space.

MINIMUM SIZE OF THE LOGO

Digital: Recommended width 120px

Print: Recommended width 30mm

When sma//er than this, use the symbol mark instead.

AVOID PLACING DIRECTLY AGAINST:

- BUSY PHOTOGRAPHS
- DETAILED ILLUSTRATIONS
- STRONG PATTERNS
- COMPETING GRAPHICS OR OTHER LOGOS

THE GOLD MOUNTAIN PALETTE

THE COLOUR SYSTEM IS INSPIRED BY NATURE, WARMTH, SPIRITUALITY AND THE SURROUNDING LANDSCAPE. GREEN LEADS. GOLD DEFINES. RED ACCENTS. IVORY BALANCE

HEX #214D33

Forest Green

Primary Brand Colour

Nature, Grounding, Healing, Calm, Connection.

HEX #C49A3A

Gold

Signature Accent

Warmth, Premium hospitality, Light, Spiritual energy.

HEX #8F2D24

Deep Red

Supporting Accent

Energy, Vitality, Human connection. (Use sparingly).

HEX #F7F3EA

Warm Ivory

Primary Background

Peace, Simplicity, Natural materials, Softness

How the colours work together

50% — WARM IVORY

Primary
backgrounds and
negative space

25% — FOREST GREEN

Navigation, sections,
buttons and major brand
areas.

15% — GOLD

Logo, headings, lines,
icons and premium
accents.

10% — DEEP RED

Small highlights
and supporting
details.

Important: The colour percentages are intended for the overall brand experience, not as a requirement to put all four colours inside the logo. The logo remains minimal while the broader identity carries the full colour story.

PRIMARY TYPEFACE

Aa
abcdefghijklmnopqrstuvwxyz
0123456789

Outfit (Garet Alf)

ELEGANT • CONTEMPORARY • REFINED • PREMIUM

A clean, geometric sans-serif that gives Gold Mountain a sophisticated hospitality character without feeling overly traditional.

GRAPHIC KNOWLEDGE

- **Arunachala line art:** Used as a subtle background or decorative element.
- **Mountain contours:** Used to create section dividers or visual transitions.
- **Crescent:** A supporting symbol inspired by the primary logo.
- **Botanical line illustrations:** Leaves, lotus and natural forms used sparingly.
- **Thin colour line:** The green -Y gold -i red accent line used as a signature

Show the experience.

Photography should feel real, calm, immersive, and premium. Avoid overly saturated colours or artificial stock photography.

PRIORITISE

Resort: Architecture, rooms, spaces

Nature: Arunachala, greenery, sunrise.

People: Natural unposed moments.

Food: Fresh and wholesome.

Wellness: Yoga, meditation naturally

Warm - Natural - Quiet -
Premium

Bringing the identity together.

BRAND APPLICATION

The identity should remain consistent across all touchpoints, ensuring a seamless premium experience from digital discovery to physical stay.

DO

- Keep the logo clean
- Maintain generous whitespace
- Use green as the grounding colour
- Use gold as a premium accent
- Use red sparingly
- Keep typography elegant and spacious
- Use natural photography
- Maintain a calm visual rhythm

DON'T

- Stretch or distort the logo
- Add unnecessary effects
- Overuse gold
- Use all colours equally
- add detailed illustrations to the logo
- Use overly saturated imagery
- crowd layouts with too many elements
- Use decorative elements without purpose

Stay. Experience. Reconnect

A PEACEFUL RESORT EXPERIENCE IN THE PRESENCE OF
ARUNACHALA.
